

Jallah Nuahn & Mercy Sackrow are Introduced

A M O D E R N M I R A C L E

The following is a live chat dialogue between **Tim Moores** and **Mercy Sackrow** and **Jallah Nuahn**, refugees in **West Africa**. In order to understand the flow of this conversation and get the impact of what occurs here, we have color coded **Jallah's** comments in green and **Mercy's** comments in blue. Please also note who I have addressed my comments to as well. These were originally separate chat room windows so they couldn't see one another's comments. Please forgive the poor language and typos. This is reality at it's best.

I was amazed how this came together with two separate conversations going on with two people in the same Internet cafe, at the same time, on the other side of the planet. I am sure the host in heaven was having a real good chuckle.

You are invited and are asked to take the time to read through this carefully as the story has unfolded from this point on. Print it off if you like, pour yourself a cup of coffee and be blessed!

3/3/2005 17:00	Jallah	the Holy Spirit is movin just like a magnet
3/3/2005 17:00	Tim to JALLAH	please explain
3/3/2005 17:02	Jallah	today i went for bible studies and i learn that the Holy Spirit dwell within us all we have to do is to surround our lives unto Him
3/3/2005 17:06	Jallah	are you there?

3/3/2005 17:15	Jallah	ok
3/3/2005 17:15	Tim to JALLAH	I am in full agreement with your comment about the Holy Spirit dwelling within!!
3/3/2005 17:18	Jallah	he said once we decided to become christians we are new creature in the eyes of God like the butterfly that was once a caterpilla that people was afraid of but since ti has been tranform people term to love it more
3/3/2005 17:19	Tim to JALLAH	All world religions, even "christian religion" to some degree, merely addresses the outward works we do "for" God. The reality is, the TRUE life in Christ, is that HE now lives IN us. He IS OUR life! I am crucified with Christ, never the less I live, yet NOT I, but CHRIST LIVES IN ME. (GAL 2:20)
3/3/2005 17:19	Mercy	helloow how are tonite

3/3/2005 17:23	Tim to JALLAH	More than that, Jallah, He IS inside you. He is not just out there somewhere looking down on you. He lives right inside you, empowering you to live HIS life, to be HIS light, to LOVE as He loves.
3/3/2005 17:24	Tim to JALLAH	The wonderful truth of "Christ IN me" totally transformed my life, even though I was a Christian all my life. It is a revelation that must become our experience.
3/3/2005 17:25	Jallah	he said the world will offer us cheap substitutues and tell us that God does not want us to enjoy the things of this world but in all i will never leave my God cuz Hes the Alpha and Omega the beginning and the end
3/3/2005 17:26	Tim to JALLAH	Jallah, do you know a girl by the name of Mercy Sackrow?

3/3/2005 17:27	Tim to JALLAH	Because He is the Alpha & the Omega, and He now lives in you, you CANnot ever leave Him because it is HIM who chose you and called you. It's ALL about HIM. He cannot deny Himself.
