Provision of Hope

Dear Friends + Partners,

I want to wish you ALL a blessed and most joyous Christmas with a **sincere thank you** for all you have given to help our **orphans, widows and refugees**. **YOUR GIVING CHANGES LIVES!** **My PRAYER this Christmas is that we can bring a little HOPE to our friends in NEED.**

Ma Esther's Home is finished and ready for them to move in. She has 15 beautiful children in her care. We added a shop for her business. Our Trainers in Organic Agriculture are getting the gardens ready to plant.

We have had another very successful year with so many highlights and positive steps forward!

Our goal is always to see everyone become sustainable. Micro loans are a big help and overall they are doing very well. The parents of our Homes all run businesses to help with the needs of their children.

Salome is the little girl we featured on our Christmas card this year. She was abandoned as a baby. Thank God she was dropped off at Eric and Kamah's. Nelson is wearing the light green shirt. He came to live at the Dyega Home recently. He had no one to take care of him. We have over 100 children in our 4 Children's Homes and our Care Homes. We were able to put 150 children and youth to school again this year. **Thanks to you!**
